

**MAVEN STAGE**

HOUSE OF EXPERTS FOR PROFESSIONAL COMPETENCE

**WELCOME  
TO  
MAVEN STAGE**

# About Us

- ❑ Maven Stage is formed of people committed to identifying, analyzing and presenting management issues and work as consultants for catering the training requirements of the industry academic and sector specific programs. We provide full service management for conferences including but not limited to conference design, abstract management, program development, registration, site and venue selection and booking, audiovisuals, IT support, logistics, leisure management, marketing, printing and web services, sourcing speakers, sponsorship and exhibitor sales, financial management and budget control.
- ❑ We are a steadily expanding company with a significant volume of repeat business from forward – thinking managers, talent buyers from the top 500 fortune companies. We provide a platform by bringing planners and suppliers together to create industry-wide accepted practices and a common terminology, our profession continues to enhance the professionalism of the meetings, forums, conferences and workshop. We additionally tend to focus on required areas such as destination management.
- ❑ Maven Stage Conferences and educational events provide a unique opportunity to hear the most up-to-date information directly from industry experts, title holders and expert consultants. Attendees sharpen their knowledge in their respective fields of specialties, and share experiences with colleagues, peers and other industry professionals.

# Mission

Business today is struggling with rapid changes in competition, technology, the global economy, the workforce and the workplace. Companies must be fast, flexible, responsive, healthy and smart-prepared for the challenges of the every changing global scenario. The rules have changed. We all have to change if we truly want to succeed. What worked few years ago does not work today or tomorrow. Our mission is to conduct comprehensive surveys and studies with a greater policy oriented focus amidst the big socio-economic changes underway in various industries and sectors and give our clients the information and insights they need to sustain a valuable competitive advantage

# Vision

- ❑ We will make sure that we serve our clients by means of providing quality product / service, promoting pro-activeness by actively encouraging people to see things and do things differently.
- ❑ We will make sure that we provide with latest expertise to avoid the expensive trail-and-error learning and replacing it with proven techniques.

# Our Approach

- The common denominator of all Maven Stage's conferences is a mix of focus, timing and relevance. Above all our conferences are designed to be practical, a resource to be used by senior managers, project managers and all members of the team from the verticals of different sectors & industries. Benefits from the ideas and advice of leading thinkers and experts. Apply the best practice- and performance improvement principles distilled from case studies of market leaders. Benchmark your plans and performance against the competition. Our training modules is an outcome of thorough telephonic desk research with an excellent R&D work managed through highly qualified professional team.

# Why Attend Our Events

- ❑ Professionals from different verticals have benefited from our conferences to be kept-up-to-date with industry trends and the regulatory landscape, but above all to meet their peers and to hear practitioner's business solutions to the challenges they face.
- ❑ Maven Stage invites business practitioners to both speak and attend our conferences, to share their insight and expertise and to network with new contacts, to help propel both, them and organizations forward, faster and more effectively.
- ❑ We provide a platform to industry experts and decision makers to exchange their views on a particular issue that they can use for strategic to practical purposes. We produce innovative,
- ❑ Inspirational and indispensable products and that will be actively sought by our prospects.

# Sponsorship

- ❑ If you are looking for a creative way to reach top level decision makers? Why not consider sponsorship. Sponsorship offers you the perfect forum to showcase your products and service.
- ❑ We are an organization totally involved into corporate mentoring and event management, our events are held at prestigious five star properties in Mumbai and Delhi, wherein the delegates comprise of executives from the top conglomerates of the country.
- ❑ Furthermore we would like to add that we keep organizing magnum opus event for the first time in the country on various topics
- ❑ We are looking in for sponsors for the said event in different forms, patterns and styles, we assure that the name of the sponsor will be reflected and a maximum exposes shall be given which will definitely benefit the sponsorer at large in this contemporaneous world.
